

News Release

February 3, 2010

The exciting and much-anticipated 2010 Winter Olympics are only a few short weeks away and along with everyone else in Vancouver and Whistler, the Wedgewood Hotel & Spa is ready to welcome the world. Fun and revelry will be enjoyed by all as world-renowned athletes, dignitaries, media, spectators and Olympic-enthusiasts descend upon our city.

At this time, we would like to take the opportunity to express our regret that our facilities will not be available during the Olympic Games, as the Hotel has been allocated to one Olympic Sponsor during the following dates:

Hotel Accommodations	February 1 - March 2, 2010
Restaurant & Lounge	February 11 - March 1, 2010
Spa at the Wedgewood	February 8 - March 2, 2010
Meeting Facilities	February 1 - March 2, 2010

We sincerely apologize for any inconvenience we might cause by depriving you of your favourite Hotel, Restaurant, or Spa on the above dates and hope that you will favour us with your understanding by accepting our **WELCOME BACK GIFT of 20% off** our Guestroom rates, (applicable to the listed Best Available Rate), Bacchus Food & Beverage, Meeting Facilities and certain treatments in our Spa. The offer is available to you for the period of March 2 - 31, 2010. For detailed information on this promotion, please see our website.
